Why I like being a part of AH Dance Arts and what makes it special.

I like being part of AH Dance Arts because I love to create with Amy. Amy and I have worked together for many years and she has helped me gain confidence. I love to share the passion for dance with the students and see them gain the confidence in order to grow. I also choreographing for the dancers. I believe that what makes AH Dance Arts a special place is that it is a safe environment to express how you feel and to let you grow at your own rate. And each student and faculty member are unique and we value that at Amy Hamilton's Dance Arts.
